- **What is Lorem Ipsum?**

  Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s,
  - when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries,
    - but also the leap into electronic typesetting, remaining essentially unchanged.
      - It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
