- **What is Lorem Ipsum?**

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s,

- when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries,
  - but also the leap into electronic typesetting, remaining essentially unchanged.
    - It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
